Dear Cheryl,

Congratulations! The Iowa City Area Association of REALTORS® and the City of Iowa City have been selected to receive the 2006 Ambassadors for Cities designation, which is a joint recognition program from the US Conference of Mayors and the National Association of REALTORS®.

A small group of Realtors® from the Housing Opportunities Advisory Board and three individuals representing the US Conference of Mayors met to review the 17 applications we received from Realtors® and cities from around the country. Because of the work your association has done and will continue to do with your city to promote housing, the selection committee supported awarding your organization. Following is a list of the associations chosen as Ambassadors cities:

Beverly Hills Greater Los Angeles Association of REALTORS® *Workforce Housing Summit*

Flint Area Association of REALTORS® *Greater Flint Housing Partnership*

Greater Baltimore Association of REALTORS®
SCOPE Program; Selling City Owned Properties Efficiently

Iowa City Association of REALTORS® *Homeownership Certification for Mortgage Readiness*

"Pinellas Suncoast Association of REALTORS®
Workforce Housing Loan Program with City of St. Petersburg

San Jose Association of REALTORS®
Homebuyer Fairs and "Borrow With Confidence" Campaign

Your association will soon receive a grant of \$5,000 to be used either towards your association's housing program or an event related to your program. In addition, we will be in touch with you soon to coordinate on a public event, where leadership from NAR and the US Conference of Mayors will travel to your city, participate in an event with your association and the Mayor, and present you both with a plaque.

Thank you for your interest in promoting housing opportunities in your communities. If you have any questions, please feel free to contact me at 202-383-7560.
